

YAWURU CULTURAL IMMERSION *with Dianne Appleby*

Experience an invaluable introduction to Yawuru beliefs and value systems

The Yawuru cultural immersion is designed for those working in Indigenous contexts or engaging with Indigenous communities. Understanding the impacts of colonial history on Indigenous people is an important tool for successful collaboration and engagement.

The course provides an overview of Yawuru tradition, language, kinship and relationships to regional cultural groups as well as the historical context of government policy and its impact on Indigenous people. Concepts including the Bugarrigarra, liyan, rayi and buru are discussed as part of Yawuru's vibrant cultural life.

Cost \$350.00 per person (GST excl)

The Cultural Immersion training is delivered once a month and is capped at 30 participants. Additional costs may apply for travel or specialised content.
