

Do you want to support young people turn their goals into reality?

The Mangayin Encouraging Excellence Scholarship is seeking sponsors.

The Yawuru Youth Ambassadors are seeking support from individuals and organisations who have a desire to support the development of young Yawuru leaders in Broome.

We are seeking financial assistance to contribute to the Mangayin Encouraging Excellence Scholarship program.

The Mangayin Encouraging Excellence Scholarship

The scholarship offers grants of \$2000 to Yawuru applicants aged 12 – 30 years who demonstrate leadership potential, engage with the community and demonstrate excellence in their education, sporting, artistic and other endeavours.

There are two rounds of applications each year. Applicants need to meet the eligibility criteria, complete a written application and if shortlisted will undergo an interview process. Scholarship recipients will be required to report back on the outcomes of the scholarship grant which will be showcased at an annual presentation event.

The program supports recipients to contribute to the community by participating in events, assisting in community programs and becoming an active member of the youth network.

This is a YOUTH initiative developed to support YOUTH

As a proactive group of young people, the Yawuru Youth Ambassadors have identified the need to encourage other motivated and promising Yawuru youth to develop into future leaders of our community.

Each Ambassador represents an industry or professional sector and are developing their careers while working with the community. The Ambassadors set themselves the task to increase skills and opportunity for other young people through advocacy, engagement and support that caters to individual needs and community empowerment.

The Mangayin scholarship is one aspect of this program. The “Yawuru Mangayin Encouraging Excellence Network” provides ongoing support to Scholarship recipients as a peer network for emerging Yawuru leaders.

Want to find our more?

If you are interest in obtaining a sponsorship pack please contact Lalin Manado, Youth Development Officer at NBY on 91929600. Please note that your donations will be tax deductible and could change the lives of young people in Broome.

This fund is made possible by the actions of Yawuru elders, past and present, who fought for our Common Law legal rights and interests. “Mangayin” is the Yawuru name of Cissy Djiagween. The scholarship has been named in her honor, in recognition of her tireless contribution to the Yawuru community over many years, particularly throughout the Native Title court proceedings.
