This fund is made possible by the actions of Yawuru elders, past and present, who fought for our Common Law legal rights and interests. "Mangayin" is the Yawuru name of Cissy Djiagween. The scholarship has been named in her honor, in recognition of her tireless contribution to the Yawuru community over many years, particularly throughout the Native Title court proceedings. Through this fund, NBY support youth in our community who demonstrate excellence, leadership potential and those who engage with the community, and foster their ongoing involvement with NBY and other youth within this community.

Certification

I acknowledge that this fund provides a benefit to me and that I will use my best endeavors to participate in community events that NBY holds and invites me to throughout the year. I will also commit to contributing to and working towards achieving Yawuru community's vision to create Mabu Liyan for all, always.
